

Director of Game Operations

Job Description

(NYC Preferred)

Campaign.tv connects celebrities with their fans over online video games

—

Campaign LLC

NYC 2020

Campaign.tv

What We Need

- **Someone to create procedures related to successful execution of transactions on our platform.**
- **Someone to create systems to monitor and resolve negative celebrity and customer experiences.**
- **Someone to build a technical support team for celebrities and customers to utilize.**
- **Someone to ensure various ancillary platforms operate smoothly alongside our platform.**
- **Someone to help streamline, automate, and improve our processes.**

Our Ideal Candidate Has...

- **5 Years of Online Video Game Expertise:**
Must be extremely knowledgeable on all platforms (Playstation, Xbox, PC, etc) and have strong knowledge of popular video games and formats
- **2 Years of Ancillary Platform Expertise:**
Expertise in Twitch, Mixer, and other streaming services as well as other notable ancillary platforms and integrations
- **General knowledge of e-commerce and streaming businesses**
